Frank Holton started making brasswinds in 1901, and woodwinds sometime around 1918 after moving from Chicago, IL to Elkhorn, WI. Prior to 1907 Holton was engaged in a working relationship with York Instrument Co. Since 1964 the company has been a subsidiary of the G. Leblanc Corp.

If you note any discrepancies or have any additional information relating to this company, we would appreciate it VERY much it if you would pass it on to us at The Music Trader. Thank you.
