The MARTIN Band Instrument Company was established around the turn of the last century by the sons of John Henry Martin, among them Charles Henry Martin. The factory burned down in the great Chicago fire and was re-established in 1906. In 1971 Leblanc purchased all of the Martin assets, including registered trademarks, copyrights, patents, engineering records, and tooling.

Please, if you note any discrepancies, or have additional information relating to this company, we would appreciate it VERY much if you would pass it on to us here at The Music Trader. Thank you!
