Boosey & Co. was established by Thomas Boosey in 1816. They began selling woodwind instruments in 1851. The first flutes were made in 1856 after agreeing to build a flute designed by the Pratten Co. The first "reed" instruments were made in 1879. The largest competitor for Boosey & Co. was Hawkes & Son. In 1934 the two companies joined together to form Boosey & Hawkes. In 1981 Boosey & Hawkes purchased Buffet Crampon, Inc. They are now the exclusive distributor of Buffet woodwinds. In that same year they purchased Schreiber Bassoon Co. In addition to these instruments, they distribute Besson Brass, F. Besson trumpets, Keilwerth Saxophones, Paesold Bows, Schroetter Orchestral Instruments, and Denis Wick.

If you note any discrepancies, or have additional information concerning this company, we would appreciate it VERY much if you would pass it on to us at The MusicTrader. Thanks!
