

CALICCHIO

Serial Number	Year Manufactured
1000 - 1300	1927 - 1947
1301 - 2800	1947 - 1979
2801 - 6000	1979 - 1998

Note: Dominic Calicchio died in 1979.

Some earlier casings were stamped with a number but not used, so in fact fewer than the implied 1800 instruments were made in the 1927 - 1979 period. Of the recent total for 1979 - 1998 about 25 were Williams trombones. Current production averages 200 trumpets per year.
