

HARDY PICCOLOS

Serial Number	Year Manufactured
1000	1941
40,218	1984
53,096	1994
55,262	1995

The Hardy Co. has manufactured piccolos for several other companies including Selmer, Armstrong, Emerson, etc. The Hardy piccolo is unique in that it has an offset C# key. The Hardy Co. manufactures piccolos in plastic, wood, and metals. As a point of identification, around serial number 28,600 the tapered pivot point was abandoned for a straight pilot style. The serial number of their first piccolo was 1000.
